IMPORTANT NOTICE: The Division of Purchasing is now using MissouriBUYS as its new bid posting and automated notification site. MissouriBUYS is the State of Missouri's web-based statewide eProcurement system which is powered by WebProcure, through our partner, Perfect Commerce.

All vendors who currently (or in the future) sell products and/or services to the state will be *required* to register their business with the Office of Administration through **MissouriBUYS**. The vendor registration portal for registering your business is available from the MissouriBUYS website at <https://missouribuys.mo.gov>. If you have not already done so, please register on the MissouriBUYS website so that you don't miss receiving automated bid opportunity notifications from the state's central purchasing office (i.e. Division of Purchasing).

Thank you for being a valuable vendor to our state!
